

# Ceremony to mark completion of traffic circle project

**LIBERTY** – The Liberty Community Development Corp. is inviting the public to attend the formal completion of the traffic circle beautification at the Mill Street intersection of routes 52 and 55 today, beginning at 10:30 a.m.

The occasion will be marked by unveiling the “Welcome to Liberty” sign and raising the

U.S. flag and flags representing the branches of the U.S. Armed Forces.

The project was funded through the Sullivan County Legislature’s Beautification Initiative Grant (BIG). Patrick Kelly of Kelly Masonry & Design in Liberty provided the project design and donated his skills to build the sign.

The other elements of the project design were made possible with the help of local businesses, the Village of Liberty Department of Public Works and the Town of Liberty Highway Department.

The Route 52/55 traffic circle is the final element of the Mill Street Gateway BIG program. Over the course of three years,

the Liberty CDC, in collaboration with more than 25 local businesses, improved the appearance of this major access route into the historic district of Liberty.

For more information, call the Liberty Community Development Corporation at 292-8202 or e-mail [info@liberty-cdc.org](mailto:info@liberty-cdc.org).
